## ✓ DEATH OF MRS. HAKER

1-24-1907

Mrs. Fred Haker passed away at her home in Groton on Thursday evening last, after lingering illness with cancer of the stomach—an ailment with which she had suffered for more than two years. A year ago the patient underwent an operation at Rochester, Minn., for removal of the malignant growth, but the relief secured was only temporary.

Mrs. Haker was a few days less than fifty years of age, and leaves to mourn her loss a husband and four children, the latter being Edward and Herman Haker, Mrs. A. F. Krueger and Mrs. John Lenling.

Funeral services were conducted on Sunday by Rev. Dubberstein, and the body was laid to rest in the Lutheran cemetery in Hanson, in the locality of the family home for many years before moving to Groton.
